

The Chameleon's Last Dance

"Around us, other Sexy Daddies, Silver Foxes and Papa Smurfs linger about getting serious. It is a chance to play with the Big Boys, but it begins to dawn on me that I am slowly becoming one of them. Unlike Canadian hustlers I only dance the one dance, one song long... however hairy-the-hunk or likeable-the-lad is. I do not charge, but if circumstances were different or bags of money were involved, what would I do? Sex, for some, is both Nature's calling and credit card."

'The Chameleon's Last Dance' – New gay short story from Keith Brazil, author of *'The Wilderness Diary'*, *'In Consideration Of Cats'* and *'Popcorn, Parasites, Precious & Pearls'*.

Join the revelers in a bawdy 'world of men', between Christmas and New Year, as a somnambulist chameleon, a dancing bear and ten lords-a-leaping prance into a bag of glee and good tidings at the retro-Hustler's ball. Swirling through popular music, memories of childhood, places, teenage years, TV characters, and friends, past and present, can the chameleon trance-dance through fire and attain the state of 'Mok'sha'?

ABOUT THE AUTHOR: Keith Brazil was born in Broadstairs, Kent, England. He trained in Dance Theatre at the Laban Trinity Conservatoire, London, and was a founder member of 'Adventures In Motion Pictures' Dance Company. He

has worked as a freelance professional dancer, choreographer, teacher, and dance lecturer. Keith has also trained as a Complementary Therapist in Spiritual Healing and Reflexology. He gained a degree in English Studies and is currently engaged in writing a collection of metaphysical, fictional and non-fictional stories, essays, poetry and novels. The Wilderness Diary was published in December 2012. His second book In Consideration of Cats was published November 2013. His third book Popcorn, Parasites, Precious & Pearls was published December 2013. His latest release The Chameleon's Last Dance was published in June 2014. He lives and works in London. www.keithbrazil.com ###
